*** Version : MAI 2024 ***

En 2005, nous avons commencé un projet de distribution des disques des groupes locaux et des groupes qui venaient jouer à Chambéry, en partenariat avec les magasins locaux. Les prods étaient ainsi accessibles toute la journée.

En 2015, nous avons transposé le projet vers une boutique en ligne. On a ajouté les productions vinyles, les livres, les écoutes MP3 et une billetterie pour les orga concerts locales.

La boutique s'appelle **MonDisquaireEstMort**. Ce n'est pas une charge contre les vrais disquaires... mais bien un clin d'oeil à la situation actuelle à Chambéry ! (et ailleurs...)

A fin 2023, **MonDisquaireEstMort arrive à 1000 clients**. Et on tient à jour **un catalogue de 1000 references**.

Pour les groupes :

La boutique est là pour vous. Vous décidez du prix de vente, de la marge. Et on s'occupe du reste.

Pour les utilisateurs/commandes en ligne :

Pour les livraisons, vous pouvez choisir d'être livré/e

- à votre domicile
- via le réseau Mondial Relay
- à Chambéry, chez un de nos partenaires

Pour les paiements en ligne : nous utilisons la solution Paypal

- paiement sécurisé Paypal si vous avez un compte
- et paiement sécurisé possible avec votre CB même si vous n'avez pas de compte Paypal (c'est possible avec Paypal !)
